

# ARC MUSIC

Established in 1976, it is a goal of ARC Music to preserve the ethnic music of world cultures, and to spread traditional and original music with a positive message.

Our label now offers the largest selection of traditional and contemporary ethnic music from all corners of the world. Our unrivalled repertoire comprises hundreds upon hundreds of albums from over 120 countries and cultures the world-over.

We've been doing this longer than any other label on the planet. We are the original world music label.
