Considered by both critics and public as one of the greatest tenors of the 20th century, Jussi Björling left behind a vast recorded legacy. This sixth volume in the Jussi Björling Collection will come as a surprise to many. It includes all of his recordings (tracks 2-13) made under the pseudonym Erik Odde, "a 'whispering' jazz singer" as Björling was later to describe this particular rôle as vocal accompanist to dance bands playing tunes from the latest Swedish films. The disc is completed by ten popular songs recorded by Björling under his own name during the same period.

Tracks 1-13: Vocals
Tracks 2-13: Recorded under the pseudonym Erik Odde

Producer and Audio Restoration Engineer: Stefan Lindström SSR AB
