SIBELIUS: Piano Music Volume 4

NAXOS

In order to generate some income whilst at work on his larger scores, Sibelius would often take time out to compose short pieces intended for a domestic audience. The collections of short pieces in this recording all originated in this way, and, although he was not instinctively a composer for the piano, the craft of the greatest of Finnish composers is evident in these very attractive miniatures.

Jean
SIBELIUS
(1865-1957)
