TURINA: Sonata romántica

NAXOS

Joaquín Turina made an outstanding contribution to Spanish piano repertoire, along with Falla, Albéniz, Granados and Mompou. This second volume of his complete piano music ranges widely in style, from the early *Romantic Sonata* on the popular Spanish folksong, *El vito*, to the impressionistic *Fantasy Sonata* with its extraordinarily beautiful, slow openings. The dazzling *Rincón mágico* (Magical Corner) was described by Turina himself as "the corner of the composer's office... an intimate and secluded place".
