

This collection of Virtuoso Cello Encores ranges widely from Bach's *Air on the G string* to Shostakovich's Neapolitan *Tarantella* from his film score, *The Gadfly*. Most are transcriptions, in many cases by leading cello virtuosi, of well-known favourites, with original works written for the instrument from Offenbach, the great Catalan cellist Cassadó and the 19th-century Bohemian master David Popper.

## VIRTUOSO CELLO ENCORES
