

This is the second of two discs of the complete piano quartets and string trios of Max Reger. The *Piano Quartet in A minor, Op. 133*, completed during the first month of World War I, is a deeply expressive and intense work, using the full range of the instruments. Re-modelled from the *Flute Serenade, Op. 141a*, the graceful and melodic *String Trio in D minor* is altogether of a sunnier and lighter disposition. Volume 1 is available on Naxos 8.570785.
