The 15th-century Arabian text *The Perfumed Garden* stands with India's *The Karma Sutra* as one of the greatest erotic texts in classic literature. It is primarily a manual for sexual activity of all kinds, dealing in some considerable detail with physical attributes, foreplay, coital positions and advice for how to achieve greater satisfaction for both partners, as well as sexual health. In addition, it contains some enlivening stories of sexual encounters and sexual needs fulfilled. Jonathan Keeble reads Richard Burton's famous 1886 translation with aplomb.

Jonathan Keeble combines his audio work with a busy theatre and TV career. He has featured in over 500 radio plays for the BBC, from Shakespeare to Sherlock Holmes. An award-winning reader, Jonathan has recorded over 100 audiobooks.
