AudioBooks

BEYOND THE YEAR 2001

The first thirteen years of Naxos saw the release of more than 2000 new digital recordings ranging from Ambrosian and Gregorian Chant to Gubaidulina, Nyman and MacMillan. Now, as we move into the third millenium, we are just as committed as ever to our basic philosophy of making available an encyclopedia of classical music of all eras at a price every music lover can afford.

Over the next twelve months we plan to release a further 150 new recordings offering an ever wider choice to collectors. Another 300 new programmes have already been recorded and will be released during the second half of 2001 and in 2002.

Here is a summary of the new recordings music lovers can expect to see in record shops over the coming years:

Symphonic and Orchestral Repertoire

Having covered most of the standard symphonic repertoire already, here are our plans beyond the Year 2001.

Arensky (symphonies and concertos) / *Bartók* (complete orchestral works, including concertos) / *Bax* (complete symphonies and tone poems) / *Berlioz* (orchestral works) / *Elgar* (complete orchestral works) / *Field* (piano concertos) / *Franck* (complete orchestral works) / *Glazunov* (complete symphonies, symphonic poems and concertos) / *Hindemith* (most important symphonies and orchestral works) / *Honegger* (complete symphonies) / *Khachaturian* (complete symphonies and concertos) / *Liapunov* (piano concertos) / *Martinů* (complete symphonies) / *Messiaen* (orchestral works) / *Myaskovsky* (orchestral works) / *Respighi* (complete orchestral works and concertos) / *Roussel* (complete

symphonies and orchestral works) / *Stanford* (complete symphonies and concertos) / *Richard Strauss* (complete symphonic poems).

Opera

When we first started the Naxos label, we thought we would never get into the recording of operas... we assumed that, without big-name singers, we could never compete with the major record companies. However, once we listened to some of the productions of our competitors we figured that we could do better after all. Look forward to:

Gluck: Orfeo ed Euridice • *Massenet*: Werther • *Mozart*: Don Giovanni *Puccini*: Turandot • *Saint-Saëns*: Samson and Delilah • *Verdi*: Don Carlo *Weber*: Der Freischütz.

Chamber Music

You can look forward to the complete chamber music of *Beethoven*, *Berwald*, *Brahms*, *Dvořák*, *Fauré*, *Haydn*, *Mendelssohn*, *Mozart*, *Schubert* and *Schumann*.

Sacred / Choral

We plan to record the most important sacred choral works of *J.S. Bach* / *Beethoven's* *Missa Solemnis* / *Bruckner's* *Te Deum* and *Masses* / *Dvořák's* *Requiem* and *Stabat Mater* / *Handel's* most important oratorios including *Israel in Egypt* and *Judas Maccabaeus* / *Haydn's* *Creation*, *Seasons* and most important masses / *Mendelssohn's* *Elijah* / *Mozart's* most important masses / *Schubert's* most important masses.

Piano Solo

We will complete the recording of the complete works for piano solo by *Beethoven*, *Brahms* (including the 4-hand compositions on 12 CD's), *Mozart*, *Rachmaninov*, *Schubert* and *Schumann*. In addition, we will record the complete piano music of *Albéniz*, *Field*, *Granados*, *Mompou*, *Prokofiev*, *Scriabin* and *Shostakovich*.

Our two biggest projects for piano will be the complete works of *Franz Liszt* on more than 75 and the complete *Scarlatti* sonatas on more than 25 CD's.

Early Music

You can look forward to works by *Dufay*, *Gesualdo*, *Monteverdi*, *Schütz* and others.

The Guitar Collection

Another major project, undertaken under the artistic direction of Canadian guitarist Norbert Kraft, is the recording of all the most important works of the most important composers for the guitar, from *Barrios*, *Brouwer* and *Coste* to *Ponce*, *Sor*, *Tárrega* and *Villa-Lobos*. Included will be recordings of the winners of some of the world's most important guitar competitions.

The Organ Encyclopedia

For the first time in the history of recorded music, Naxos will systematically record the complete works of the most important organ composers, from *J.S. Bach*, *Buxtehude* and *Dupré* to *Reger*, *Rinck*, *Titelouze*, *Vierne* and *Widor*. This collection will eventually grow to about 150 to 200 releases.

Vocal / Lieder

Over the next few years, Naxos will record and release the complete lieder of Schubert sung by today's finest young German singers. The complete songs of Tchaikovsky, Brahms, Schumann and Wolf are next on our list.

Complete Vivaldi Concertos

Over the next five years, we will record the complete concertos of *Vivaldi* in Italy, England and Hungary on more

than 65 CD's, using the best modern editions and some of today's finest soloists and ensembles.

18th Century Composers

Published by Naxos' jointly owned Artaria Editions, the series will include world-première recordings of symphonies, concertos and chamber music by contemporaries of *Haydn* and *Mozart*, such as *Cannabich*, *Dittersdorf*, *Dussek*, *Hofmann*, *Kraus*, *Vanhal*, *Pleyel* and others.

20th Century Composers

Naxos will make a major effort to bring 20th Century composers to the attention of a wider audience. Already available are 6 CDs of the complete orchestral works of *Lutoslawski* as well as a growing number of recordings by today's living composers.

The complete orchestral works of *Penderecki* will follow as well as the most important compositions of *Schoenberg*, *Berg* and *Webern*, and the important Russian composer *Vainberg*.

21st Century Classics

This series will be devoted to the most promising young (and not-so-young) new composers who, in our opinion, are worthy of being heard by a wider audience than would be otherwise possible.

American Classics

Over the last twelve months, Naxos has been releasing a wide range of music by American composers. Eventually, the series will include more than 100 titles covering not only the complete orchestral and choral/orchestral works of *Barber*, the most important works of established composers such as *Bernstein*, *Copland*, *Gould* and *Ives* but also lesser-known composers such as *Meredith Willson*, *William Grant Still*, *Paul Creston* and others. The American avantgarde will not be forgotten with *Cage*, *Glass*, *Adams* and *Reich* to be represented in the series.

The lighter side of American music will also not be neglected with three volumes of orchestral music by *Sousa* and *Sousa's* complete music for band on 16 CD's, and major works by *Victor Herbert* including the complete "Babes in Toyland"

All the above will keep us busy well into the new millenium and beyond... you will be able to follow our progress in *Gramophone*, *BBC Music Magazine* and other specialised publications, and on our website at www.naxos.com.
