

Once there was a little cat, miaow!
who listened to neither Mum nor Dad.
One day, in his cup of milk, miaow!
he saw a fly drinking.
The little cat tried to catch it, miaow!
but the fly flew away.
There she is on a chair, miaow!
the little cat quickly climbed on it too.
She flew on to the bed, miaow!
and the little cat quickly jumped up there.
She flew off out of the window, miaow!
and the little cat quickly leapt out!
But while she flew off, miaow!
the little cat fell down into the yard!
He fell from very, very high, miaow!
but luckily into a bucket of water!
He climbed out, shivering, miaow!
but now he listens to his Mum!
