

A Musical Journey

VIENNA

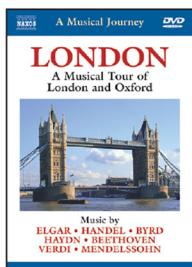

The Places

Scenes from Vienna include historical and modern buildings, monuments from the glorious past and the modern present, from the Emperor's Palace of Schönbrunn to the colourful buildings of the controversial artist Hundertwasser.

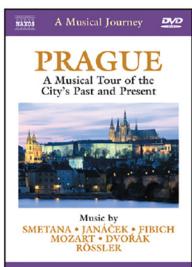

The Music

The music here included is all closely associated with Vienna, where Mozart spent the last ten years of his life, where Schubert was born in 1797, and where Beethoven, from 1792 until his death in 1827, was a dominant musical figure.
