

RUED LANGGAARD
String Quartets Vol. 2.
Nightingale String Quartet

RUED LANGGAARD's string quartets are passionate works from the eccentric composer's youth. This recording series presents all 9 quartets together for the first time in the distinctly dramatic interpretation of the prizewinning NIGHTINGALE STRING QUARTET. With this release we have reached the world premiere recording of *Rosengardsspil*, which with the other works on the CD bears the fascinating marks of the composer's great unrequited youthful love during a summer holiday long ago in Sweden.
