

**Vagn Holmboe** (1909-96)**Chamber Symphonies****Lapland Chamber Orchestra****John Storgårds**

Vagn Holmboe's three chamber symphonies span the period when the Danish composer immersed himself in symphonic works; they are a fine demonstration of his preoccupation with the processes of nature and the idea of musical metamorphosis. Lapland Chamber Orchestra and its conductor John Storgårds focus on Vagn Holmboe's clear musical expression in three major works that have never previously been recorded.
