Traditional Nordic folk music with roots in the Middle Ages meets three new compositions by Pelle Gudmundsen-Holmgreen, Sunleif Rasmussen and Rune Glerup on this CD debut of the Danish trio Gáman. The rare combination of drum songs from Greenland, chain-dances from the Faroe Islands, wedding music from the island of Fanø and new sounds by three living composers becomes an opportunity to dance, smile and immerse yourself in worlds of sound that surprisingly and enrichingly elucidate one another.
