

SUNLEIF RASMUSSEN

Motion/Emotion

Chamber Music

Lapland Chamber Orchestra Wind Quintet
John Storgårds

The Faroese composer **Sunleif Rasmussen** (b. 1961) lets the melodies of national songs become the musical DNA in powerful sound-evocations of nature; either latently as a basis for ingenious constructions of great sensuality, or quite directly, so that anyone in the North Atlantic islands can hum along. Interpreted by members of **Lapland Chamber Orchestra** under the baton of **John Storgårds**, Rasmussen's music is in strong fellow Nordic hands on this recording.
