

NANCY DALBERG

## The String Quartets

Nordic String Quartet

Nancy Dalberg (1881-1949) completed three string quartets, and they hold a place of their own among her compositions. No. 1 in D minor was the very first instrumental work that she presented at a public concert (1915). No. 2 in G minor, op. 14 (1922), was the first work that was published and played outside Denmark, while No. 3, op. 20 (1927), which is dedicated to her teacher, Carl Nielsen, was not published during her lifetime. The present release of the three quartets features two world premiere recordings.
