Bikutsi is a style of music from Cameroon that began with the spirited dance of Bantu fighters. Over the years, it has flourished into one of Africa's freshest musical exports, with its unique keys, instrumentation, and ability to meld with modern trends. Here, Yaounde native So' Forest brings his pop music sensibilities to this exciting genre, combining thoughtful lyrics with infectious melodies resulting in a colourful blend of African pop.

bikutsi pop: the songs of So' Forest
