Total Time - 52:09

The musical culture of the Andes region dates back to pre-Inca times, yet remains today a vibrant and influential part of Latin and South American music. While the sound of panpipes is embedded in tradition, these Andean Songs have been given a new flavor through the diversity of Takillacta—unmistakably fresh but still true to its ethnic origins. Flowing instrumentation, ancient rhythms, and airy melodies combine effortlessly on this musical journey into the South American highlands.

Takillacta: Music of the People
