

The Arena di Verona celebrates Franco Zeffirelli's legendary *Turandot*, a grand spectacle that brings Imperial China to life with cinematic splendor and sumptuous garments by Oscar-winning Japanese costume designer Emi Wada. This iconic production captures a timeless mystery, where life hangs by a thread and love melts even the iciest of hearts. "Netrebko does not merely sing it: she interprets it. What emerges is a character much more human and ultimately truer than usual" (*La Stampa*).
