## THE MASTERWORKS VOL.2

### CHAMBER AND INSTRUMENTAL WORKS

The Danish String Quartet, Trio Ondine, DiamantEnsemblet, Herman D. Koppel

This is the first complete collection of **CARL NIELSEN's** masterly chamber works available on CD. Music in which the Danish national composer, with his spontaneous and imaginative works, presents himself as the renewer of the classical tradition. Here all the string quartets, violin sonatas and wind works appear in new, definitive recordings by top young Danish musicians. The piano works are played in unique fashion by Herman D. Koppel, who as a young man rehearsed them all with the composer himself.

*The impassioned, insightful performances again shed light on fascinating repertory.*
