

**VAGN HOLMBOE**

## The Complete String Quartets

**The Kontra Quartet**

**Vagn Holmboe** (1909-96) counts as one of the greatest 20th-century composers of string quartets. Holmboe's music is dynamic, organic and alive, and his musical language is rooted in the Nordic landscape but also reveals his keen interest in the folk music of Eastern Europe. This unique collection comprises all Holmboe's string quartets in the highly acclaimed recording by the Kontra Quartet, who enjoyed a close collaboration with the composer..

*"So good are the Kontra Quartet's interpretations that one actually becomes unaware of them, and dwells on the music itself, which is unremittingly glorious. Very strongly recommended"*
