

Pelle Gudmundsen-Holmgreen (b. 1932) is quite an institution in Danish music. Both his personality and his works enjoy high status in Denmark, and he if anyone has been responsible for some of the elements in recent Danish music that notoriously distinguish it from music in the rest of Scandinavia and Germany. He has called himself an outsider in Danish music, but actually he is really a major name, an "established outsider."

## PELLE GUDMUNDSEN-HOLMGREEN
