

Karsten Fundal (b. 1966) studied as a teenager with Hans Abrahamsen and Ib Norholm. Crucial to his artistic development, though, was his encounter with composers abroad such as the American Morton Feldman and the Dutch Louis Andriessen. Karsten Fundal had his breakthrough at the beginning of the 1990s with works like the sextet *Anelsernes Land* (1990), the orchestral piece *Ballad* (1991) and the piano concerto *Liquid Motion* (1993).
