

The songs of Carl Nielsen (1865-1931) – one inevitably recalls the many simple strophic songs that have immortalized his name in the Danish national song tradition for generations, many of which have long since become national treasures. But although the simple Danish song so to speak became the hallmark of Carl Nielsen the song composer, he had other facets in the area of song. This CD features a wide selection of Carl Nielsen's songs, spanning most of his composing career.
