

OTTO MORTENSEN (1907-86) was one of the finest Danish song composers of the 20th century. His output ranges from simple songs to more challenging art songs. He has written or arranged many songs for choir, and it is not for nothing that he is one of the favourite composers of the Danish choirs. He also wrote a number of chamber music works, a symphony and a few other large instrumental works, but vocal music was undoubtedly the genre closest to his heart.
