

Frozen Moments is a stunning debut album by the young Danish composer Mette Nielsen, featuring the brilliant and award-winning Danish string quartet, NOVO Quartet, and the masterful clarinetist Jonas Frølund. The album's works explore various ways to enter sound, pause time, or otherwise alter it, and offer an introspective collection of compositions that challenges the listener to ponder the nature of time and sound.

1	String Quartet in One Movement (2012)	5:01
2	Alone (2021)	11:11
3–6	Apart (2021)	15:11
