

With the eight solo works that make up *Dark Radiance*, percussionist, performance artist and composer Ying-Hsueh Chen (b. 1983) takes listeners on a journey through subtle musical movements that meticulously weave the past into the present in a remarkable manner. Nearly every piece is devoted to a single instrument, and each, for the most part, emerges from a single musical gesture or action, creating sounds from the thunderous to the delicate.

1	Machinery (2022)	4:02
2	Meditation on One Buddhist Woodblock (2021)	6:42
3	Flames (2021)	4:40
