

This release is an excellent example of the music of four Danish composers from the past century, all of whom must be said to be among the leading figures of their respective generations. Through the piano trio as the constant in the equation, the CD testifies to curiosity, outstanding talent, openness and personal originality, and uniquely gives recent Danish music history flesh and blood. What unfolds here could well be called *the Danish heavyweight championships for modern piano trio*.

**VAGN HOLMBOE** (1909-1996)
