World premiere recording. Recorded live in The Black Diamond, Copenhagen.

Mixed Company is the world premiere recording of a remarkable cycle of works by **Pelle Gudmundsen-Holmgreen** (b.1932) presented by **London Sinfonietta**, **Theatre of Voices** and conductor **Paul Hillier**. Composed around John Dowland's iconic *Lacrimae*, these seven new pieces have all been tailored to the excellent "mixed company" of Danish and English vocal and instrumental performers gathered in Copenhagen to celebrate the Danish composer in 2012.
