Music created by veteran Danish composer and Hammond organ player Anders Koppel has been the mainstay of several successful Dacapo releases over the past years. Now, *Still Life* joins them as a documentation of a new endeavour of his, a vibrant music-making in duo with Danish master cellist Henrik Dam Thomsen, whose far-reaching musical creativity proves a fine match for Koppel's own. *Still Life* is a meeting of kindred spirits – yielding 15 impressions of life as captured in a dimly lit night.
