Busy Bees and Birds

Works for recorder by Mogens Christensen

Pernille Petersen, recorder

Bjarke Mogensen, accordion Per Pålsson, guitar Messer Quartet

The Danish composer **Mogens Christensen** (b. 1955) is known for his exquisite sense of tone colour and for his unusual inspirational sources, found in dreams, astrology and natural phenomena. The title work of this CD, *Busy Bees and Birds*, explores the fascinating sound world of a lively beehive juxtaposed with fabulating birdsong, while his cycle *Nocturnal Birds* invites the listener to share the experience of atmospheric nightly birdsong through all four seasons – and through a timeless kaleidoscope of acoustic and electronic sounds around recorder soloist **Pernille Petersen**.
