

With this CD we are presenting another two works by ELSE MARIE PADE (b. 1924) that have never before been released, or even played in a concert. They are a mainly acoustic piece, *Aquarellen über das Meer I-XXI* and the all-electronic *Illustrations*. Although so far several CDs of Else Marie Pade's music have been released, there are still new experiences ahead before we have a full overview of her pioneering musical efforts.
