Songs & MovementsSCENATET
Jeppe Just Instituttet

Danish composer **Jeppe Just Christensen**'s music is all about recycling, nostalgia, instruments – and toys. On this portrait album, curated by the chamber ensemble SCENATET, the composer himself appears with his unusual "band", Jeppe Just Instituttet, playing on self-invented, homemade or toy instruments such as egg slicer, coffee grinder, toy piano and melodica. Together, the two ensembles create a unique and delicate world of sounds, which is both the special starting point for the music and the source of its constant fascination.
