Songs of Doubt

Roderik Povel, *vocals* · Nathalie Forget, *ondes Martenot*
 Studium Chorale · Hans Leenders, *conductor*

Making important decisions can be complicated. It can also be perfectly simple. Most of the time, though, it seems like it is both. Echoing such intertwined feelings of doubt and clarity, **Niels Rønsholdt** (b. 1978) presents a unique song cycle full of mirrors, sensitivity and undaunted experimentation.
