

Sergey RACHMANINOV (1873-1943)

3 DISCS

Sergey Rachmaninov's symphonic career had a rocky start with the premiere of his *First Symphony*, now recognised as one of the great Russian symphonic works of the late 19th century. Both the powerful *First Symphony* and the gloriously melodic *Second*, with its lushly harmonic *Adagio* second movement, are haunted by the *Dies irae* chant melody. Rachmaninov considered his *Third Symphony* to be one of his finest works, alongside the exquisitely orchestrated and virtuosic *Symphonic Dances*. The enduring attraction of these symphonies is enhanced by the 'impressive, highly desirable interpretations' (*Gramophone*) in this acclaimed edition conducted by Leonard Slatkin.
