Symphony
No. 2

Pour une fête
de printemps
Salut in F

Royal Scottish
National Orchestra
Stéphane Denève

8570529

"With this marvelous bundle of French masterworks by the quietly celebrated Albert Roussel, Naxos again shows us that there is a great deal of outstanding repertoire patiently awaiting our attention. Stéphane Denève's gold-plated performances and the splendid sonics of these recordings make this new set a reference edition of these important works; treasures of the lingering late romanticism from the early 20th century."
