

A VAUGHAN WILLIAMS ANTHOLOGY

8 DISCS

Ralph Vaughan Williams is one of Britain's most illustrious composers, and this specially curated selection of works demonstrates the sheer breadth of his achievement. As a major 20th-century symphonist he is represented by four of his nine symphonies, all in critically acclaimed recordings ('A clear top recommendation' wrote *Gramophone* of *A Sea Symphony*). Popular orchestral works such as the celebrated *Tallis Fantasia* and *The Lark Ascending* are also included. Vaughan Williams' chamber works are performed by the Maggini Quartet, his greatest contemporary champions; while the sublime *Mass in G minor* shows the composer's high standing in the English choral tradition.
