# CLASSICAL MUSIC

## START-UP KIT

VOLUME TWO (1825-1945)

Over 78 minutes of excerpts from some of the greatest music composed between 1825-1945.

A 40 page booklet by Christopher Mohr with easy-to-understand, nontechnical descriptions of the music, often with a second-by-second explanation so you can follow along with the timer on your CD player.

Fascinating stories about the impassioned lives of the great composers.
