

THE VERY BEST OF
L I S Z T

*"He is plainly ... a man of great genius
and originality."*

(1840 Review)

Franz Liszt epitomizes the nineteenth-century virtuoso-composer of Romantic ideals and aspirations. He redefined artistic and technical possibilities of the modern piano as an instrument and as a centrepiece of the concert stage. This 2-CD collection showcases all-time favourites, including *Hungarian Rhapsody No. 2* and *Liebesträume*, as well as symphonic poems such as *Les Préludes* and the *Faust Symphony*.
