"Any complete set of Chopin's piano works on CD is important. With world-class playing it's remarkable. And at [bargain price] it's astonishing. Who's inspiring the superlatives – Ashkenazy, Pogorelich, Pollini? No: Idil Biret." – *Classic CD*

"She is Turkish, from Ankara, ... In 15 discs she makes a voyage through the entire work of Chopin, including the least known pieces, with a sharpened technique, fully blooming lyricism and minimised emotional outpouring." – *La Croix*

"These are some of the finest recorded sounds I have heard."

– *American Record Guide*

"Enjoyable and idiomatic, unhurried yet alive and alert to the innumerable incidental beauties of these scores." – *Gramophone*
