The motets of Carissimi are among the jewels of seventeenth century Italian church music. They combine boundless melodic invention with a sophisticated grasp of polyphony. In addition they demonstrate fully Carissimi's complete understanding of the range of musical possibilities when writing for the voice. The accompaniments are sensitively realised in this recording for an historically appropriate group of mixed instruments, based on a string ensemble.

Giacomo
CARISSIMI
 (1605-1674)

Ten Motets	64:03
① Surgamus, eamus, properemus	5:28
② Qui est hic vir	6:58
