Playtime Imagination

Our Imagination is never stronger than when we are children. With only the power of imagination, you are an emperor, queen, movie star, ballerina, tiger, wolf, or anything else the mind desires.

The music of Playtime Imagination was chosen specifically to stimulate the imagination with melodies and harmonies that are as free and boundless as the world of make-believe. Using the acclaimed Williamson's Little Hands® activities as starting points, watch where your child takes his or her dreams!

music to stimulate and inspire young minds.™
