Playtime Arts & Crafts

Arts & Crafts allow children to truly express their creativity. A child needs only a little glue and glitter to come up with nothing short of a masterpiece. With classical music chosen specifically for Arts & Crafts Playtime, use the popular Williamson's Little Hands® activities as a guide and watch your child use talent and ingenuity to invent, create, color, and build!

The music of Arts & Crafts playtime is especially conducive to more time-intensive activities—great for listening and calm enough to keep your child's attention on their Playtime fun!

music to stimulate and inspire young minds.™
