

JOY TO THE WORLD

Christmas carols, whether from our own time or centuries past, are a perfect reflection of the warmth and homely intimacy of the season. This rich and varied collection includes carols from all over the world, illustrating the amazing diversity of a genre originally rooted in the medieval dance. It is performed here by a selection of the finest cathedral choirs.

1	Once in royal David's city	3:20
2	Unto us is born a Son	1:56
3	Ding-dong merrily on high	2:02
