The Naxos Deutsche Schubert-Lied-Edition: Schubert set the poetry of over 115 writers to music. He selected poems from classical Greece, the Middle Ages and the Renaissance, from eighteenth-century German authors, early Romantics, *Biedermeier* poets, and Heine. The Deutsche Schubert-Lied-Edition presents all Schubert's *Lieder*, over 700 songs, grouped according to the poets who inspired him. Thanks to Bärenreiter's *Neue Schubert-Ausgabe* (New Schubert Edition), Tübingen, which uses primary sources, the performers have been able to benefit from the most recent research of the editorial team. This disc is part of the *Poets of Sensibility* series, and is devoted to settings of poems by the North German poet Ludwig Kosegarten. Volumes One to Four are available on 8.557371-72, 8.557568 and 8.557569.
