'The most passionate thing I have ever composed – a deep lament for you' was Schumann's own description of the *Phantasie in C major*, in a letter to Clara Wieck during a period of enforced separation. Modelled on two Beethoven sonatas, the *Phantasie* is a complex work of wide emotional range. The *Symphonic Etudes* are a dazzling exploration of the 'symphonic' possibilities of the instrument. One of Schumann's most experimental works, with unexpected tonal colours that look forward to Debussy and a driving intensity worthy of Beethoven, they are one of the masterpieces of romantic piano repertoire.

Robert
SCHUMANN
(1810-1856)

Symphonic Etudes, Op. 13
