

In 2004, at the age of 18, the Malaysian-born pianist John Chen became the youngest ever winner of the Sydney International Piano Competition. The previous year he won the Lev Vlassenko Australasian Piano Competition, where he swept all the special prizes.

The French composer Henri Dutilleux has long been acknowledged as among the leading figures of his generation. This complete collection of his solo piano works includes his only large-scale work for the instrument, the brilliant *Piano Sonata*.
