DONIZETTI

L'elisir d'amore

The Elixir of Love

written by **Thomson Smillie**
narrated by **David Timson**

L'elisir d'amore, or 'The Elixir of Love', has remained popular for almost two centuries because of a touching tale and a galaxy of comic characters adapted from the traditional *commedia dell'arte*. More importantly, Donizetti poured into the score all the warmth and tenderness of the Italian temperament. His melodic invention never ceases to charm, whether in the jolly rustic choruses, the exhilarating 'patter' numbers, or the sweet sadness of the beautiful arias, of which 'Una furtiva lagrima', the great tenor showpiece, is the best known.
