American Jewish Music

A major Jewish and musical event, this unique recording of a complete s'lihot service includes all of the prayers traditionally performed by cantor and all-male choir on the first penitential service, usually held at midnight, in preparation for the High Holy Days. Featuring world-famous Cantor Benzion Miller and the Schola Hebraica, this complete s'lihot service has been recorded in London's historic orthodox New West End Synagogue to the highest standards of liturgical and musical authenticity. Comprehensive liner notes and translations are included.
