AMERICAN CLASSICS

Jack Gallagher's *Symphony in One Movement: Threnody* has been acclaimed by *in Tune* magazine as 'enormously inventing' and by *Österreichische Musikzeitschrift* as 'a one-movement symphony of great colorfulness'. The warm, lyrical *Berceuse* was heralded by *The Washington Post* as 'a treat' and 'a lovely melodic and accessible work'. The spirited *Diversions Overture* and *Sinfonietta for String Orchestra*, in five-movement arch form, complete this survey of Gallagher's music for orchestra recorded by the London Symphony under the direction of JoAnn Falletta.

This recording was made possible through the generosity of Ethel L. and John J. Gallagher; and Muriel R. and Robert G. Schaffeld
