AMERICAN CLASSICS

Pulitzer Prize winner Joseph Schwantner is one of the most prominent composers in America today, renowned for his dramatic style and bewitchingly colorful orchestration. *Morning's Embrace* depicts the intense brilliance of sunrise at his home in rural New Hampshire, and the 'Ford Made in America' commission *Chasing Light...* continues to explore the natural world in a work of eloquent expressiveness. A highly popular concert piece, the 'fresh, engaging' (*Metro*) and technically demanding *Percussion Concerto* is performed here by the acclaimed soloist for whom the work was written, Christopher Lamb.
